Will: 1903 : Jacob B. Olinger : Lee County

Oversize Box 1 :
-1 Plat

To the Honorable H. A. W. Skeen Judge of the Circuit Court
of Lee County.

Humbly complaining, your orator M.V. Olinger, Executor of the estate of Jacob B. Olinger deceased, would respectfully represent and show unto your honor that Jacob B. Olinger departed this life on the..... day of 1903 seized and possessed of a large estate, both real and personal, in said county and state, having made and published his last will and testament, which will was duly probated in the county court of said county, on the 16th day of February 1903, and your orator one of the executors named in said will, was duly appointed and qualified in said court as executor thereof. A copy of said will, together with the order of said court probating the same and appointing your orator executor thereof, is herewith filed as part thereof marked "A"

The said Jacob B. Olinger deceased left at the time of his death, the following children and grand-children, his only heirs at law, to wit:-

Your orator, J.D. Olinger, J.A. Olinger, Rachel M. Walton, Mary L. Hyatt, Oscar Thompson, Carrie Thompson and Wm. Thompson, the last three being grand-children and infants under twenty-one years of age.

It will be seen, by an inspection of said will, that the testator in his said will, provides for the payment of his just debts and funeral expenses out of his estate, and then the testator gives devises and bequeaths certain portions of his real estate mentioned and described in said will, to certain of his heirs named therein, and then gives devises and bequeaths all the rest & residue of his estate real, personal and mixed, of which he might die seized and possessed, or be entitled to at his decease, to be equally divided among all his heirs theretofore mentioned, but the provisions of said will and the disposition attempted to be made of said testator's estate, are so indefinite and uncertain as to portions of said estate, and as to the residue of said estate after certain portions thereof are disposed of.

That your orator is advised it is necessary to ^{invoke aid} ~~make~~ the ~~act~~ of the court in construing and carrying into effect the said last will and testament, *which aid is here invoked.*

The object of this suit therefore is to have the said will construed by this honorable court, and ~~The~~ rights and interests of the said heirs, of the said Jacob B. Olinger deceased, in said estate, determined and fixed by your honor's decree, and that your orator be directed by your honor to the distribution of the personal estate in his hands as executor of said will; that any real estate owned by said testator not specifically disposed of by said will be ascertained, and that the interest of the said heirs in the real ^{personal} estate be determined and fixed ^{by} by your honor's decree, and that the residue of the real estate not specifically disposed of and devised by said will, to certain of said heirs, be partitioned among those entitled thereto, according to their respective interest therein, the same being susceptible of being partitioned in kind, as your orator is informed and here alleges, except ~~The~~ ^{the} mill property, which mill property, your orator alleges, should be sold and the proceeds divided among those entitled thereto; that your orator's account as executor of said estate be settled and the proper distribution of the assets in his hands directed by your honor. To this end he makes J. D. Olinger, J. ^A Olinger, Rachel M. Walton, Mary L. Hyatt, Oscar Thompson, Carrie Thompson, and Wm. Thompson the parties defendant, to this bill, and asks that they be required to answer the same, but not under oath, that being waived; that a guardian ad litem be appointed to answer for the said Oscar, Carrie and Wm. Thompson, who are infants under the age of twenty one years; that proper process issue ~~issued~~ ^{not} etc. and that the relief above prayed for be granted together, with such other further and general relief as may be consistent with equity and the nature of the case may require. And your orator will ever pray etc.

" notes of \$100 ⁰⁰ given up, and release deed executed to lots in town of Olinger				

To the Honorable H.A.W. Skeen, Judge of the Circuit Court of Lee
County Virginia:

Your undersigned Commissioner, who was on the 13th
day of July 1903, in the Chancery cause of M.V. Olinger Executor &c.
against John D. Olinger and others, appointed to make state and settle
the account of said M.V. Olinger's account with said estate; reports
as follows: on the 7th day of March and the 11th day 1904, I completed
the duties required of me by said decree, and a correct statement of
the same is filed herewith, and made a part of this report marked
"Statement". Your Commissioner charged said Executor M.V. Olinger with
the sum of \$454.33, as being the amount in his hands, and his dis-
bursements amount to \$423.25, and allowing 10% commission on the
disbursements, which is small enough, said Executor has overpaid said
estate the sum of \$11.23. There will be some more money to come into
the Executors hands perhaps at the end of considerable litigation.

Your Commissioner reports that the Executor filed with him an
insolvent note of \$15. on C.F. Green, which your Commissioner did not
charge or credit either in said settlement. Said Executor had two
notes, which amounted to something over \$100. which was purchase money
due on lots to the estate from W.M. Adams, and with the consent of
the distributees he gave up the notes and took back the lots as the
notes could not be collected, and your commissioner did not, under
the Circumstances, charge said notes to the Executor. There is no
balance found due the distributees, as the debts of the estate are
not all paid yet, but M.L. Hyatt one of the heirs at law has received
\$16.67, your honor has directed, that she should not bear any part
of the cost of the partition of said land and in that way there will
be something due her. The receipts in this settlement as costs
of the partition are in a separate envelope and amount to \$61.00.

All the Executor's vouchers are filed herewith, and made a part
of this report.

All of which is respectfully submitted.

M. G. Ealy,
Commissioner.

Mr H. C. Ewing, Clerk
Dear Sir:

Has the Court confirmed
the report of the Commissioners
who divided the J. B. Oliver
land? If so I want you
to send me the courses of the
Rachel M. Walton share
which is no 4. Just send the
courses of the 197 acres of
land and the description of
the town lots. I do not want
the courses of the mill property.
Please do this and send by to-
morrow's mail if possible. Also
send me the amount of your charges
& I'll send you the money. Yours truly
C. S. Bailey

SECOND COMMUNICATION.

Dear Friend:

Two months ago we sent you a notice to the effect that your subscription had expired, and asked you to inform us immediately if you did not wish THE RAM'S HORN continued. Not hearing from you we have sent the paper without intermission and take this opportunity to thank you most cordially for your continued support.

The bill we enclose herewith is not sent you so much as a reminder of the amount due as to call your particular attention to the fact that if it is paid now you are entitled to the \$1.50 rate which is our regular price of subscription when paid in advance.

Hoping you will be able to take advantage of this, also perhaps of one of the special offers enclosed, we remain

Faithfully your friends,

THE RAM'S HORN.

OVER

NOTICE

THE RAM'S HORN COMPANY is extending a somewhat exceptional offer to those subscribers whose terms expire this month, and in order to give the same opportunity to all others we repeat

OUR OFFER

In renewing your subscription now, if you wish to add the name of one new subscriber you may both have the paper a whole year for only \$2.00. As the individual price is \$1.50 it will be only necessary to add 50 cents to your own renewal and thus get the paper a whole year for some friend or relative at a nominal cost. Or, if somebody will give you \$1.50 for his own yearly subscription, you need but add 50 cents and thus renew your paper for one year. In either case we agree to send to both new and old subscriber, without charge, one of our beautiful Floral Souvenirs from Palestine, postage prepaid. By promising this to the new subscriber it will not require much persuasion to get one new subscription. Considering the value of this very unique present, this offer enables you to renew "The Ram's Horn" almost without cost and with scarcely any effort. Bear in mind, \$2.00 secures "The Ram's Horn" a full year for two subscribers if one of them is new. Two Floral Souvenirs from the Christ land will be sent both with charges prepaid. (See order blank below.)

NOTICE

THERE ARE TWO WAYS of conducting a Newspaper. One is to drop every subscription instantly on the expiration of its term, and the other is to continue the paper until a request to discontinue is received. If *The Ram's Horn* pursued the former method it would be dealing summarily and perhaps unjustly with thousands of its readers who wish the paper continued, but are not always able to pay on the instant. However, if the second method is followed, it may appear to a few, certainly a very few, that we are taking advantage of the postal privileges to saddle the paper on unwilling readers. We cannot afford to lose friends of either class. Therefore, we have established the following rules, which will be just to all, unfair to none, and merciful to many:

Every subscriber receives a notice by mail of the expiration of his or her subscription. And a request to advise us immediately if it is the desire to stop the paper. A reasonable time is allowed in which to renew at the advance rate of \$1.50. Afterward the regular subscription price of \$2.00 prevails. Anybody who likes *The Ram's Horn*, but cannot afford to take it, may get it for one year FREE by sending \$3.00 in NEW subscriptions, at the rate of \$1.50 per year, \$1.00 for eight months, 50 cents for three months' trial.

Your subscription expired at
the date indicated on this bill.

Remit by Money Order, Registered Letter or Bank Draft on either New York or Chicago, when possible, as the banks charge exchange on local checks.

IN YOUR REPLY PLEASE RETURN THIS BILL

A discount of 50 cents will be allowed on this bill if paid at once, thus reducing it to \$1.50.

HOW
TO GET THE RAM'S HORN

FREE

Anybody who sends us Two Yearly Subscriptions at \$1.50 each, or Three Eight Months' Trial Subscriptions at \$1.00 each, or Six Four Months' Trial Subscriptions at 50c each, or any way to make \$3.00 in new subscriptions at the above rates, will be entitled to a full year's subscription for himself FREE.

In order to make it extremely easy for anybody to secure these subscriptions we will promise to send, on request, to each new subscriber a copy of that famous painting entitled

"CHRIST BEFORE MAMMON"
ABSOLUTELY FREE

AND POSTPAID.

Send us a \$3.00 club of subscriptions at the above rates and get THE RAM'S HORN for yourself without cost, and if you so request we will send you a free copy of the picture also.

HOW
THE RAM'S HORN CAN SAVE YOU

\$5.00

THE RAM'S HORN has thousands of subscribers who renew year after year, and others who desire to avoid the bother of these small yearly remittances pay for two, three or even five years in advance. It is right that those who do this should have special terms. Therefore we have established the rate of

\$5.00 FOR A FIVE YEARS'
SUBSCRIPTION

to THE RAM'S HORN when paid in advance.

This is a clear saving of \$1.00 to those who would renew each year five times at the regular rate of \$2.00; or a saving of \$2.50 to those who might avail themselves of the minimum rate of \$1.50 per year, when paid in advance. In other words, \$5.00 secures THE RAM'S HORN five years at the extra ordinary rate of \$1.00 a year.

The saving effected by this \$5.00 investment is equivalent to making from 50 to 100 per cent on your money.

HOW
YOU CAN GET ALL THE PAPERS
YOU NEED NEXT YEAR FOR ONLY

\$3.00

THE RAM'S HORN, the best evangelical religious weekly the world has yet seen.

Hon John Wanamaker says: "Many a single copy of The Ram's Horn is worth a year's subscription."

OUR DAY, the most interesting monthly review which is now published.

John P. Sprunger, Esq., says: "Our Day is the best magazine in the country. It is esteemed by the entire family."

PLUCK, the most unique and fascinating boys' and girls' paper you ever saw.

A boy of twelve says: "After reading Pluck I made up my mind to be somebody. I want to make the most of myself. Here is my subscription."
